DR. KENNETH L. SCHWAB
President

Dr. Kenneth L. Schwab, an award-winning educator with a keen interest in leadership and strategic planning, was appointed Centenary College's 34th President, August 7, 1991.

His efforts to maintain Centenary's reputation as one of the premier liberal arts colleges in the nation has resulted in enhanced student life and increased academic quality during his tenure.

Dr. Schwab came to Centenary from the University of South Carolina where he was Executive Vice President for Administration (1988-91) after serving as Executive Assistant to the President for Institutional Planning (1986-88).

From 1970-1986, Dr. Schwab held administrative positions at Guliford College in Greensboro, NC. He was the Assistant Dean of Students and Director of Residential Operations (1970-74), Dean of Students (1974-80) and Assistant to the President for Institutional Planning and Community Relations (1980-86).

Dr. Schwab holds the doctor of education degree (1978) from Indiana University, master of education degree (1972) from the University of North Carolina-Greensboro and the bachelor of science degree (1969) from Purdue University, where he graduated with honors as the 1969 Outstanding Senior. He has done post-graduate studies at both Johns Hopkins University and Harvard.

Dr. Schwab and his wife, Patricia, who also has a doctorate in education, are the parents of three sons: Kempten, Carlton, and Christopher.

DR. DAVID BEDARD
Director of Athletics

Centenary's athletic department began a new era on January 1, when new Athletic Director Dr. David Bedard took over for departing A.D. Russ Sharp.

Bedard is a familiar face to the athletic offices of Centenary, having been a professor in the health and exercise science department for more than 18 years. He begins his first year as the athletic director with a lot of things on his plate, foremost being to move the athletic department into a conference in Division I of the NCAA.

Bedard understands and can empathize with the student-athletes and coaches under his administration, having been both a student-athlete and a coach at Northwestern State University in Natchitoches, La. He was a three-time All-American gymnast and a gymnastics coach before moving on to get his doctorate in college teaching of health and physical education from Texas A&M University in Commerce.

Having recently chaired the Steering Committee for NCAA Athletics Certification, as well as the Fiscal Integrity and Academic Integrity subcommittees, Centenary President Dr. Kenneth Schwab knew Bedard would be the right fit.

"This is a critical moment in our athletic program's history as we seek affiliation with a new conference, and I know that Dr. Bedard will lead us through and beyond this important step," said Schwab.

Bedard is married to the former Carol Grant. They have two children: Emily and Julie.

THE COLLEGE

ACADEMICS

Nationally recognized by U.S. News and World Report, Money Magazine, Peterson's Guide to Competitive Colleges and others, Centenary College of Louisiana is noted for providing an environment for success, both for its students and for its faculty.

Founded in 1825, **Centenary College** is the oldest private liberal arts institution West of the Mississippi River.

Centenary provides a superior education for students capable of intellectual leadership and for those who can benefit from study in an academic community where excellence is encouraged and individuality is respected.

Centenary places emphasis on preparations for various professions. The college is an institution of the United Methodist Church.

Centenary boasts a student/professor ratio of 11 to 1 for its 852 undergraduates, while classes rarely exceed 30 in introductory courses. Centenary is a member of the Southern Association of Colleges and Schools.

Recently, a Centenary education was recognized in ***"U.S. News and World Report"*** as the best value among regional universities in the South. Centenary also ranks eighth among the South's top universities in the magazine's "America's Best Colleges" issue.

Shreveport is located on the west bank of the Red River in northwest Louisiana. The metropolitan area has a population in excess of 300,000 and forms the geographical, cultural, and economic center of the region known as the Ark-La-Tex. Centenary is located two miles from downtown Shreveport.

MAGALE LIBRARY

ATHLETICS

Centenary has a treasured history in athletics, dating back to 1894 when the school fielded its first football team for a game with Louisiana State University.

Centenary once boasted of having one of the finest football teams in the nation. The Gents posted a perfect 10-0 record back in 1927 with a team coached by **Homer Norton**.

That year, Centenary defeated four Southwest Conference opponents (SMU, Baylor, Rice, and TCU) to start the season and finished off the memorable campaign with a 59-2 whipping of Louisville. Centenary outscored its opponents 261-38 over the 10-game span.

In that era, 13 Centenary football players went on to professional careers, including: **Conway Baker**, **Buddy Parker**, and **Robert "Cal" Hubbard**.

Hubbard was the most illustrious of the group, starring on championship teams and earning induction into the ***Pro Football Hall of Fame*** and the ***College Football Hall of Fame***. He is a triple rarity in that he also is in the ***National Baseball Hall of Fame*** as an umpire.

Centenary is also part of an **NCAA football record** that has stood for 60 years—most punts by two teams in one game. The Gents and Texas Tech combined for 77 punts as they battled to a 0-0 tie, November 11, 1938 in Shreveport. In that game players reported the rain was so hard that the water was entirely above their shoes.

Centenary discontinued football in 1947 due to the poor oil economy in the Ark-La-Tex region.

TODAY

Centenary is currently in its second year as an NCAA Division I independent after spending 21 years as a member of the Trans America Athletic Conference.

Centenary sponsors 16 intercollegiate sports. Men's sports that are offered include baseball, basketball, cross country, golf, rifle, soccer and tennis.

Women's sports that are offered include basketball, cross country, golf, gymnastics, rifle, soccer, softball, tennis and volleyball for women.

OUR NICKNAME

The unique nickname "Gentlemen" was first established in the fall of 1921 by then Centenary President George Sexton. It seems the football team had been in a fight the previous game, and Sexton sat the team down before the next game and told the players, "...from now on, you will all act like Gentlemen".

With the majority of Centenary men also soldiers, the moniker "Gentlemen" was a logical choice. A tongue-in-cheek account that first mentioned the new nickname appeared in the 1923 Yoncopin (Centenary's yearbook) in the football summary.

"...there was some doubt on the eve of the first game. Reports from the Marshall camp had them recruiting from the boiler factories and we were made to believe that the Marshall team was coming to Shreveport to mop-up with the 'Gentlemen' (you see we had just taken the name of the 'Centenary Gentlemen' and far be it from us to start a dispute just at that time). Well, we put on our best manners but just couldn't help running up a 77-0 score..."

The nickname has stuck ever since and it was natural to call the women's teams the "Ladies" when the school began women's sports in the 1960's.

HOLLY TARTER
Head Coach

Holly Tarter was introduced as the new volleyball coach for Centenary in January.

Tarter comes to Centenary after two years as the head coach at Hardin-Simmons, a Division III program in Abilene, Texas. While at Hardin-Simmons, Tarter amassed an 18-39 record, which is impressive considering the fact that she was unable to offer her players scholarships to the school because of the Division III affiliation.

"Holly is a great fit for us right now," said Bedard. "She has a lot of good experience in volleyball coaching, in both the high school and college level." Tarter was the head volleyball coach and a junior high teacher at Levelland High School for one year (1997-98) before moving on to HSU. She was also the coach of the eighth-grade basketball and track teams while at Levelland.

Before moving to Levelland in 1997, Tarter was a teacher and volleyball coach at Round Rock High School. While there, she led the volleyball squad to a 23-11 record, a district championship, and a regional quarterfinal berth

As a four-year player for Sul Ross State University in Alpine, Texas, Tarter was named to the All-TIAA team in 1989 and 1990, and was named the conference and district player of the week in both seasons. In 1990, she was named team captain and earned the award as the team's best all-around player following that season.

"I am very excited to have this opportunity and a chance to work with a quality group of athletes," said Tarter. "They have been very receptive to my ideas, and I think we can continue to build on the success that Coach Kinnison had before me."

Tarter replaces Frances Kinnison, who left to become the first volleyball coach at Texas A&M-Corpus Christi, which has just established an athletic program.

"Centenary had its most impressive season ever last year, and we wanted to bring in a successful coach that could continue the growth we have been experiencing," said Bedard.

CELESTE CERDA
Assistant Coach

Celeste Cerda begins her first season as an assistant volleyball coach for the Ladies after playing volleyball for Southeastern Oklahoma State University in Durant, OK, for two years and for two season at Frank Phillips College in Borger, TX.

Cerda was a starter for the Lady Savages of Southeastern, and mainly a defensive specialist. She notched 306 digs in her senior season, and led the team in service aces with 42.

For the Ladies, Cerda will be in charge of scheduling road trips and conditioning, as well as working with the defenders and helping with service technique.

Cerda, a native of Dallas, attended Poteet High School, where she was a two-year starter for th e volleyball team before going to Frank Phillips and then on to Southeastern Oklahoma.

Cerda's parents are Debbie and Charlie, and she has two sisters: Stefanie and Lisa, and three brothers: Jason, Charlie and Chase.

CENTENARY LADIES 2000 PREVIEW

The Centenary Ladies volleyball team is under construction this season, as new coach Holly Tarter comes in, replacing Frances Kinnison who left to be the first head coach at Texas A&M-Corpus Christi.

Tarter brings a hard-working, direct approach to the Ladies this season, something that she thinks can only force the team to improve.

"I am much more direct in telling the players what I expect out of them," said Tarter. "But I think that this style helps them understand the day-in, day-out process that it will take to make this team good."

Tarter comes to Centenary from Division III Hardin-Simmons University in Texas, where she faced the prospect of fielding a team without the availability of scholarships. Jumping up to Division I just raises her expectation level of herself and her team, especially with scholarships to give to recruits.

"We have high expectations in the skill level of the players and their ability to make this team successful," said Tarter.

With several players leaving before the season started, Tarter has been forced to field a squad with very little college experience. She understands that the future of the team is bright, even if there might be cloudy times for the near future.

"Once our players gain that experience of playing Division I level volleyball, they will become much better," said Tarter. "However, they are inexperienced and young right now, so we look for them to make small steps. Enough small steps and they will find themselves at the level they need to be."

The team only has one senior and one junior to rely on for leadership, and Tarter fully expects to lean on them this season to help the team.

Krissi McFarland (Fort Worth, TX) is the lone senior on the team, but Tarter knows she is the overall leader of the squad. McFarland is an outside hitter who finished last season with 183 kills and 55 total blocks.

"Krissi is one of the most consistent hitters on the team, and she is definitely the best weakside hitter on the squad," said Tarter.

Joci Petten (Texarkana, TX) is the only junior, and the player Tarter will rely on most to keep the team's energy up. Petten is also an outside hitter, who totaled 88 kills and 108 digs for the Ladies in 1999.

"Joci is always there to help keep the team motivated and prepared to work hard," said Tarter. "In addition, she is a terrific offensive player who will be a key weapon for us."

The sophomore class is a strong one for the Ladies, featuring **Jessica Tennison** (North Richland, TX), **Allison Prestridge** (Baton Rouge, LA) and **Karin Asplin** (Katy, TX).

Tennison and Prestridge are outside hitters who performed well for Centenary last season. Tennison notched 182 kills and 46 service aces for the team, as well as 217 digs.

"Jessica is very deceptive because of her size," said Tarter. "You wouldn't think she was a powerful hitter at her size, but she is a very powerful hitter and a very good all-around player."

Prestridge finished last season with 177 kills and 65 total blocks, including 17 solo blocks.

"Allison has the height and size to be a terrific player, and once she becomes more acquainted with the system she will be a wonderful player for us."

Asplin is under the added stress of learning a new position this season, as she is moving from outside hitter to setter. Asplin had 138 kills last season, but only 10 sets, a number she will significantly increase this season as a setter.

"Karin has stepped up to be the starting setter," said Tarter. "She is very smart and has a level head on her shoulders and good court vision."

The freshman class is a large one for Centenary, as Tarter has relied on the high school ranks to stock her team this season. She brought in five freshmen, three attackers and two setters.

Lavashia Graham (Longview, TX), **Niki Dawson** (Katy, TX) and **Brandi Patterson** are the three attackers, and Tarter expects all three to step in right away and contribute.

"Lavashia, Niki and Brandi all have good power and superior athleticism," said Tarter. "I expect all of them to see good playing time immediately, but they are the future of this program. They are all going to lay the foundation of this squad for years to come."

Amanda Couch (Wichita Falls, TX) and **Casey Varnado** (Big Sandy, TX) will provide some depth at setter, and Varnado will also see time at outside hitter.

"Amanda is quick on her feet and will be a good player once she adjusts to the collegiate level," said Tarter. "Casey is the hardest worker on the team and will be an effective player for us."

Tarter understands that her first season will be a trying one after losing so many players before the season, but she is determined to make sure that her first season is not a bad season, even if it may not be a winning season.

"We have a lot of good players on this team, and given time, I think we will be able to build a very competitive and winning program here at Centenary," said Tarter.
